

HNRS 2020

Jewish Culture, History and Religion

Fall 2020

Tue Th 9am-10:20am

The course analyzes Judaism's understanding of itself by examining concepts such as identity, gender, food, rituals, scriptures, history, and Messiah. We will look at three thousand years of Jewish history, the foundations of Jewish religion and culture and will discuss the question about Jewish identity.

Dr. Mari Rethelyi, Assistant Professor of Religious Studies
