## Honors College Student Council Research Scholarship Application

The Honors College is pleased to announce the availability of a scholarship to support a third-year Honors College student who is undertaking a research project with a faculty advisor.

The scholarship will provide \$500 to one Honors College student in their third year of study for use toward costs associated with their research project, including defraying costs incurred in research or the production of the thesis as well as expenses that would otherwise be met through non-academic employment.

Applications are due with all requested materials attached by September 25, 2015.
